-Thanks to the large volume oven developed in this series models, it offers the opportunity to cook two different foods or more foods, and you can also cook tandoori thanks to the hanger and hanging apparatus on the oven ceiling. Tandoori cooking takes place by cooking red meat slowly and homogeneously, so you can cook red meat with full flavor and the consistency you want.

### Energy

-Çalışkan wood burning stoves are offered with an energy efficiency label. The greener the better for the environment. All of our stoves are class A or better.
